EDUCATION

Aks University, Satna

B.Tech - Computer Science and Engineering(AI/DS) 8.36-8.43

September 2022- June 2026

Satna , Madhya Pradesh

Gyan Bharti Inter College

Higher Secondary(Class 12)

2021

Percentage 70

Secondary School(Class 10)

2019

Percentage 74.8

COURSEWORK / SKILLS

PROJECTS

Weather Forecasting 🔗 | [Python](#)

March 2023

- Developed a weather forecasting application using python using ML,DL,etc.
- Implement time series analysis/ regression/machine learning models to predict temperature, humidity and rainfall.
- Applied data cleaning ,feature engineering and visualization techniques for trend analysis.

Age and Gender Predection. 🔗 | [Python](#)

Jan 2024

- Developed an AI/ML model to predict age and gender from facial images.
- Utilized Deep learning(CNNs, OpenCV , TensorFlow/Keras/PyTorch)for image classificationl.
- Pre-Processed datasets with image augmentation.

Sentiment Analysis 🔗 | [Python](#)

2025

- Built a sentiment analysis model to classify text(positive,negative, neutral) using NLP techniques
- Collected and Processed text data from Twitter, reviews or customer datasets.
- Performed data cleaning , tokenization, stopwords removal, stemming/lemmatization

INTERNSHIP

Fresher

- Strong foundation in programming language : Python
- Hands-on experience in academic and personal projects(e.g. machine learning , web development, data analysis
- Familiar with tools technologies such as Git/GitHub, SQL, Execl, Jupyter Notebook, Google Colab, Pycharm
- Good understanding of problem-solving , algorithms and data structures

TECHNICAL SKILLS

Languages: Python, Html, Css, .Net, SQL

Technologies/Frameworks: Github , Pandas, Numpy, Microsoft Power Bi

Developer Tools: VS Code, Jupyter notebook, Pycharm, Google Colab ,Canva ,Microsoft Excel, Power Point

CERTIFICATIONS

- Microsoft Certified(Power Platform Fundamentals)
- Python and Database -Shekunj
- Internship Common Aptitude test(I

EXTRACURRICULAR

Didac Exhibition and Conference

September 18-20, 2024

Yashobhoomi(India International Convention and Expo Center) in New Delhi

- **Participated in Didac India Education Training Exhibition , gaining exposure to emerging technologies EdTech tools and innovative learning solutions**
